OUR MISSION

**Energy is our responsibility.
Responsibility is our energy.**

To play a leading role in the coming sustainable energy transition, by leveraging our distinctive innovation capabilities, competencies and technologies for the benefit of all stakeholders.

We are a major operator of grids used to transport energy.

We manage the high-voltage transmission of electricity in Italy, ensuring **security, quality and cost-effectiveness over time.**

We are working hard on **development of the electricity grid**, the achievement of ongoing improvements in operational efficiency and integration with the European grid.

We guarantee **equal access** to all grid users.

We are developing **Non-regulated Activities** and new business opportunities, building on the experience and technical expertise gained in managing complex systems and on our technological excellence. ”
